Qualifications and Experience of Registered Manager:

The Registered Manager for NYOS, Mark Fountain has over 3 years direct experience in running Hospitals and 5 years experience working in the Healthcare Sector in the UK and Middle East, including acting in roles such as Chief Executive, Chief Operating Officer and General Manager. Mark is also a Chartered Electrical Engineer, having also an MSc in Total Quality Management and MBA. Mark has led global blue-chip companies in highly regulated industry sectors such as Aerospace, Gases, Automotive and Telecommunications and been personally responsible for up to ten thousand staff.

NYOS Structure:

NYOS operate a virtual structure with individuals serving in a multitude of roles. All staff are fully competent for the roles which they undertake. The NYOS board and Directors are all Orthopaedic Consultants, registered with the GMC and Speciality Registers. NYOS have two specific appointments, which rotate between members and these are Medical Director and Chairman. There is also a third appointment, that of Managing Director.

The Medical Director works in conjunction with the Registered Manager to ensure all healthcare requirements are met and is the point of escalation for all medical/clinical matters. The Chairman, chairs Board Meetings and is the point of escalation for any business matters identified by the Managing Director. The Managing Director is responsible to the Board for the development and management of the business.
